

Facility for Blue Growth in the Black Sea

Facility for Blue Growth in the Black Sea

- ✓ 2-year capacity building project launched by the European Commission
- ✓ focused on the promotion of blue growth & blue economy development
 in the Black Sea basin

Our mission

Establish a comprehensive support mechanism

Identify & engage stakeholders

Promote regional dialogue on blue growth

Foster Blue Economy development

Our Objectives

Further develop maritime policies

Promote maritime cooperation at regional level

Engage with all relevant parties, promote awareness & facilitate ownership of Blue Growth opportunities

Foster cooperation with national authorities, NCPs, NGOs, private businesses & society

Our Services

Provide country assessments

Establish network of relevant stakeholders

and promote

national

priorities

Raise

awareness

Communicate funding opportunities

Support projects, at local, national and regional level

Promote research, innovation and best practices

Connect promising initiatives across the Black Sea

Results

Identify ways to further boost economic growth and sustainability in the region

Establish and maintain national structures on maritime issues

Facilitate engagement in and ownership of the topic of Blue Growth amongst society of the Black Sea countries

Common Maritime agenda for the Black Sea region agreed among the participating countries which will set common priorities and concrete actions for cooperation
