Round table
Opportunities and perspectives for multilateral regional cooperation in the Black Sea using the potential of the maritime economy

ORGANIZERS

Ministry of Foreign Affairs of the Russian Federation, Institute for National Marine Policy Integrated Study RTU-MIREA, Scientific and Research Institute of Maritime Spatial Planning Ermak NorthWest (ErmakNW)

MODERATOR

Igor Kapyrin, Deputy Director of the Department of European Cooperation, Ministry of Foreign Affairs of the Russian Federation

SUMMARY

Participants of the third round table within the Forum (since 2018) on multilateral regional cooperation in the Black Sea using maritime economy opportunities will analyse its current state and prospects of interaction, as well as the available opportunities for its promotion. Taking into account the experience of cooperation in the Baltic, representatives of Russian regions, Black Sea countries and international institutions will consider the most promising areas of project activities within the existing formats, in particular the Common Maritime Agenda for the Black Sea.
